# Standardbred Breed Development 2014 Program –Early Approval of Indiana Sires Stakes & Indiana Sired Fair Circuit Program

Approved by the Standardbred Breed Development Committee – 8/23/13 Approved by the Standardbred Advisory Board – 8/23/13

In planning the Standardbred Breed Development Program for 2013 concerns were raised by industry participants regarding the timing of the approval of the program each year, noting that it is vital to the industry to have the Indiana Sires Stakes programs set prior to the yearling sales (typically occurring in October of each year). Considering this, the Standardbred Breed Development Advisory Committee and Standardbred Advisory Board began meetings in June of this year to discuss the 2014 Standardbred Breed Development Program. While we realize that it is difficult to have the program completed in its entirety, we focused on the two primary components, the Indiana Sires Stakes and Indiana Sired Fair Circuit. This will enable us to notify horsemen of the structure of the core components of the program prior to the yearling sales. It will also give us the flexibility to make adjustments to the remaining elements once the negotiated percentage has been approved by the IHRC. The following has been crafted working closely with Hoosier Park and Indiana Standardbred Association.

### Indiana Sires Stakes

The current structure of the Indiana Sires Stakes was studied to determine if this structure was best under a one track scenario. After input and discussions, we are proposing to abandon the current structure of the Indiana Sires Stakes and adopt the following format:
